A Case Study

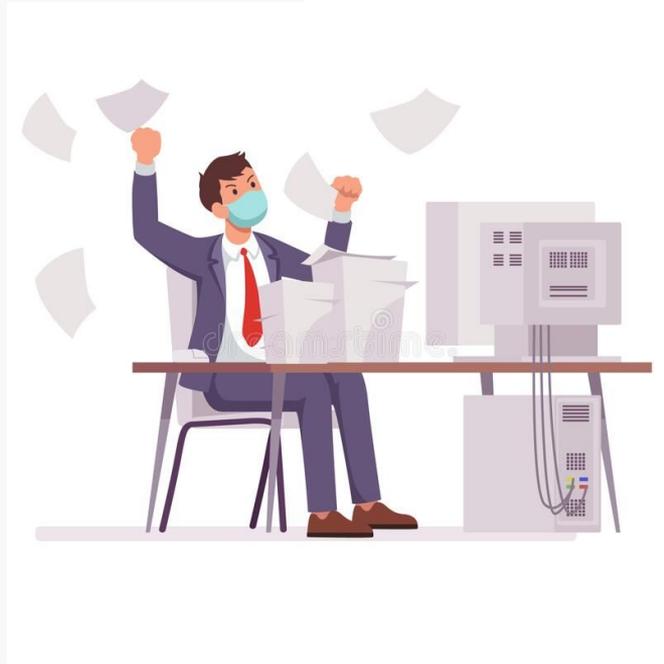

THE
SOCIABLE
SOCIETY

The Sociable Society Case Study

The Sociable Society is a social influencer agency who wanted to take on more clients.

They spent the majority of their time on the following tasks:

- Discovering influencers
- Organizing their campaigns
- Gathering reports in weeks

The Challenge

The Sociable Society wanted to start sharing real-time data analytics with brand advertisers.

Without software, conversations would get lost and details would not be shared.

They relied on:

- spreadsheets
- emails
- screenshots

for everything from sales pitches to reporting.
